MOTION FOR EXTENSION OF TIME

GAF Broadcasting Company, Inc. ("GAF"), by its attorneys, hereby requests a three-week extension of time to and including February 20, 1992, to respond to (1) the Opposition of The Fidelio Group, Inc. ("Fidelio") to Petition to Deny ("Opposition"), and (2) Fidelio's Petition for Leave to Amend its above-captioned application ("Petition").

Fidelio filed both of these documents on January 17, 1992, and mailed them to counsel for GAF. Due to the holiday weekend, GAF did not receive them until two days ago. Fidelio submits an extensively revised engineering section of its application, a new engineering statement, and multiple affidavits. GAF requires additional time to analyze Fidelio's lengthy documents and prepare a response. Given that Fidelio's application has not been designated for hearing, the additional time GAF requests will not

prejudice any party and should not delay ultimate resolution of any proceeding.

Counsel for Fidelio has advised that he will not oppose this motion for extension of time.

Accordingly, it is requested that the time for GAF to respond
